PORTALS NOUS

THE MOST SELECT SIDE TO MALLORCA

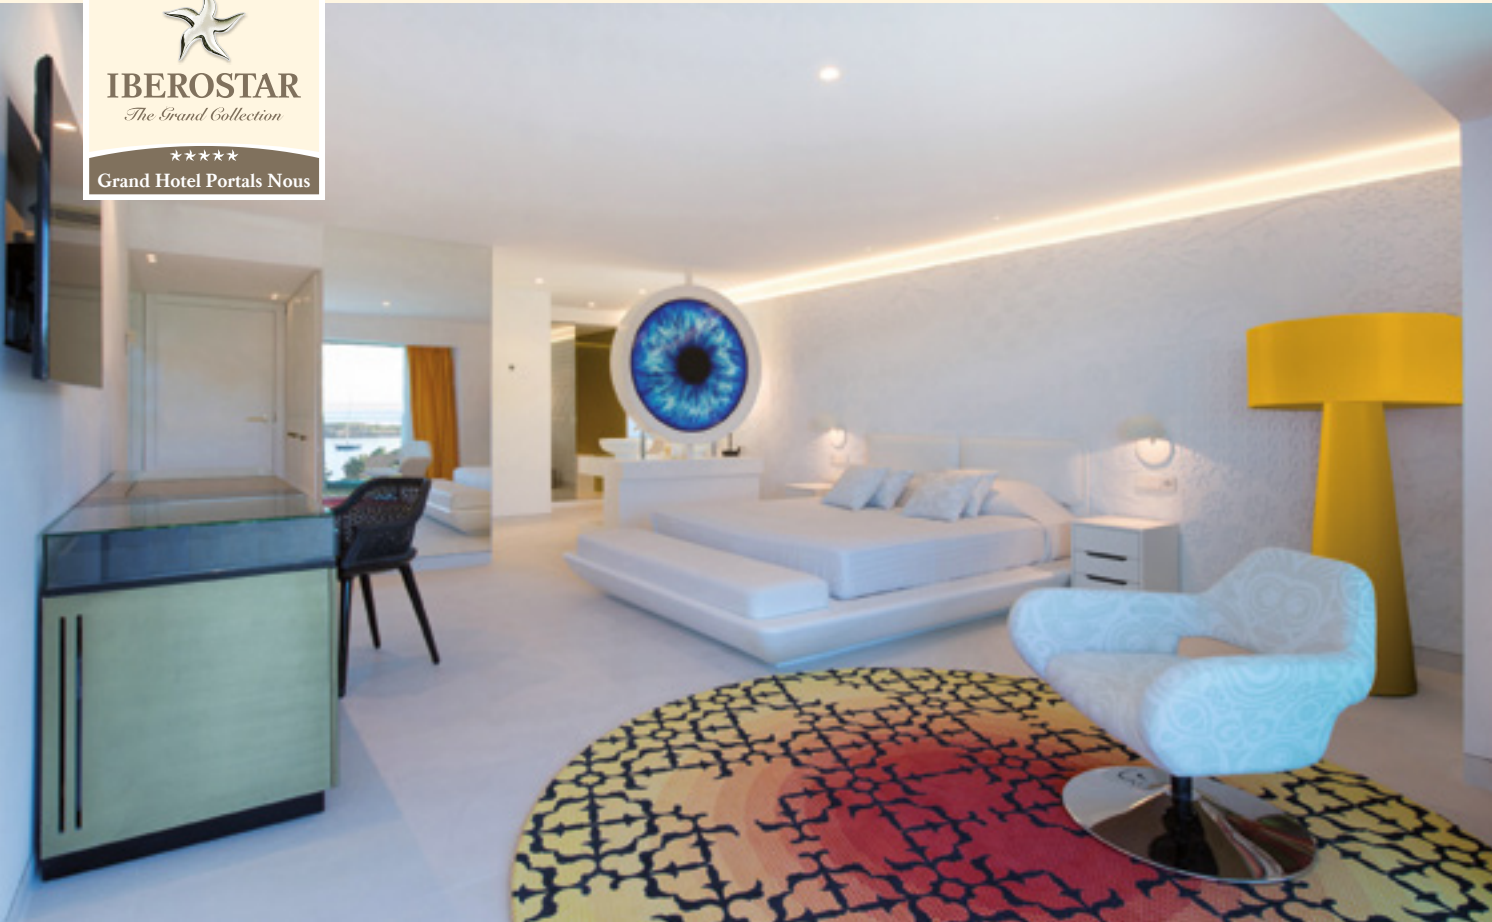

Portals Nous, one of Mallorca's most sophisticated areas, is located in the municipality of Calvià, on the Bay of Palma. A tourist resort and residential area, it stands on a small stretch of coast dotted with coves of white sands, crystal-clear waters and lovely islets. Just a short distance away is Puerto Portals. One of the Mediterranean's best-known yacht marinas famous for its social life and accompanying luxury services, it is a year-round venue for different social and sporting events, drawing the crème de la crème in tourism. Puerto Portals also features a commercial centre with some of the island's finest restaurants. 14 km from Portals is Port Adriano, a new leading reference in yacht marinas designed by Philippe Stark, complete with a selection of shops and restaurants.

Palma, the island's capital, is just 11 kilometres from Portals Nous. Visitors to this cosmopolitan city can revel in its numerous cultural attractions, traditional markets, and charming old quarter waiting to reveal the legacies of the different civilizations that once lived in Mallorca. Golf enthusiasts can choose from a wide variety of 18-hole golf courses within a radius of 12 kilometres: Bendinat and Poniente golf courses, Santa Ponsa's three courses and Son Vida's other three.
